Hey Nardina,

Please proceed with scheduling the ARF. They are in a time crunch to get this sampling event in before the end of the month and the first week of October. No changes are needed to the ARF. Thank you so much.

Best wishes,

Thanks. Let me know when you are ready to proceed with scheduling and if the review indicates any changes are needed to ARF. - Nardina

We are hoping to get out the last week of September. We have combined the final two rounds into one and hope to get it done in two or three days.
